

Interactive Student Survey

Introduce yourself and ask permission: Hi, I'm _____. Do you have a couple minutes to take a brief survey about your experience here at _____ university?

Introduce Bridges:

Our group is Bridges International. We are a caring community of Christ-followers committed to serve, promote social connections and engage in spiritual conversations with international students so that students become leaders internationally. We welcome all students to participate in our caring community regardless of religious or non-religious affiliation. I'll ask ____ questions about these four areas – service, social, spiritual, and student leadership.

1. Are you an international or domestic student?
2. What three words would you use to describe your transition to life at _____ university?
3. In addition to your education, what do you hope to accomplish or experience while here at _____ university?
4. Students come from a variety of religious and non-religious backgrounds. What is your religious background? How do you practice your faith now?
5. In a recent study, 70% of Americans identified as Christian. What's your impression of Christianity in America? How would you describe the basic message of Jesus?
6. Do you think it's important to get to know people from other countries/cultures? What is your experience making friends across cultures on campus?
7. What needs do international students have? Do you know any who might benefit from an international student group?

Thanks and contact info: Thank you for your time. Would you be interested in hearing back from us about any of our activities? If so, please fill out the info on the back of this form.
